

Elopak | Request for Analyst Consensus Estimates for Q2-2024

Elopak Investor Relation invites you to contribute to the analyst consensus estimates for Elopak's Q2-2024 results.

Investor Relations compiles consensus estimates for the following items:

- **Revenue** for the current quarter and year, as well as the next two years.
- **Adjusted EBITDA** for the current quarter and year, as well as the next two years.

The consensus estimates, which will be an aggregation and average of all received estimates, will be made available on our website at www.elopak.com/consensus. This will provide a valuable resource for all shareholders to understand the markets expectations of Elopak's performance.

Please submit your completed Excel-file with your estimates to Head of Treasury and Investor Relations, Christian Gjerde (christian.gjerde@elopak.com and investors@elopak.com), by end of business **Friday, 9 August, 2024**.

Let me know should you have any questions or require further information; we appreciate your time and effort in contributing to the consensus estimates.

Best regards,

Christian Gjerde
